RE: West Ridge Road Reconstruction Project

Dear Resident,

On either Thursday July 7, 2005 or Friday July 8, 2005, Maplewood Drive between Route 104 and Gorsline Street will be reduced to one way northbound only to allow for road reconstruction. Please obey all temporary traffic signs in this area. We anticipate the duration of the temporary traffic pattern and reconstruction work to be approximately three weeks. Parkdale Terrace will not have access to Maplewood Drive during this time period. We apologize for any inconvenience and we thank you for your patience and cooperation during this project. If you have any questions or concerns, feel free to contact the field office at 254-5481.

Sincerely,

A handwritten signature in black ink that reads 'Sidney H. Reedhead'.
